ANOTHER BIG INDUSTRY

The J. B. Heizer Company To Erect Large Redrying Plant in the East End—Fifth Plant For Maysville

That large tobacco firms have faith in Maysville as a tobacco center was again proven when this week the J. B. Heizer Company, one of the leading tobacco brokerage houses in Cincinnati, purchased for a good, round sum, the lot of Mr. Godfrey Hunsicker, corner of Third and Union streets in the Fifth Ward, upon which they will erect a steel, concrete, asbestos-roof building, modern in all its appointments.

The structure will front 120 feet on Union street and 245 feet East and West on Third street (the C. and O. Railroad) and directly opposite the immense plant of the American Tobacco Company.

The new concern will have a capacity to redry 75,000 pounds per day and will rival in size the big plant of the J. P. Taylor Company beyond Forest avenue.

The Farmers' and Traders' Tobacco Warehouse Company will also erect a large concrete addition to their big plant in Forest avenue.

The erection of the Heizer plant will give Maysville the lead in tobacco rehandling houses and is another boost for the East End.

For Getting Her.
"It's so long since you called upon me that I was beginning to think you were forgetting me," remarked a girl to a young man who had for long been "attentive."
"Right! I am for getting you," remarked the youth, "and that's why I called to-night. Can I have you?"—Exchange.

Gyer.—That's a fortunate thing for the natives, isn't it?
Myer.—How so?
Gyer.—Well, just imagine cats in a country where the nights are six months long.

DAILY FLIGHTS IN AEROPLANE

WORLD FAMOUS AVIATOR WILL SHOW POSSIBILITIES.

PROMISES WILL BE FULFILLED

Race Between Aeroplane and One of the Fastest Horses at Lexington Track.

Foremost among the amusement features which will characterize the Blue Grass Fair, to be held at Lexington the week of August 8th to 15th will be daily flights in an aeroplane by one of the most famous aviators of the country. No other one subject is creating at this time the same amount of interest in the public mind as is the development of aerial navigation. The possibilities of the air are so great as to be almost beyond human computation. Present prospects indicate that perfected it is apt to revolutionize the entire world. American aeroplanes have taken high rank among the aeroplane aggregations of the world and American aviators have performed, not only in this country but abroad, feats which entitle them to be ranked among the greatest of those living.

Exhibitions Daily.

The exhibitions at the Blue Grass Fair will be given by a world-famous aviator and will in every respect set forth intelligently and fully an idea of the possibilities of aerial navigation. These flights will be made daily throughout the week of the Fair, so that visitors who come only for one day may rest assured of seeing them. Naturally weather conditions play some part in the extent of flights in aeroplanes. The management of the Blue Grass Fair has never believed in promising what it can not absolutely fulfill. It, therefore, does not specify any particular feats to be performed on particular days because of the realization that wind velocity and other weather factors may prevent such feats, but it can promise that except in the case of terrific down-pour of rain, aeroplane flights will be made each day.

Race Between Aeroplane and Horse.

At least one day during the Fair a race will be arranged between an aeroplane and one of the fastest horses at the Lexington track. The horse will be given a start of a quarter of a mile and the aviator will endeavor to catch him, circling in its entirety the famous mile track at the Blue Grass Fair grounds before the finish wire is reached. This will be a feature that has never been attempted anywhere else and is certain to prove a drawing card for thousands of people from all portions of Kentucky.

Spotted.
"I'll bet that is an eloping couple in the rear car," said the conductor.
"Why do you think so?" queried the Auburn-complexioned brakeman.
"Because," explained the ticket puncher, "they haven't got that hunted look as if a mob armed with rice and shoes was chasing them."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. RUGGLES CAMPMEETING

Notes of Interest Gathered at These Beautiful Grounds

RUGGLES CAMPGROUNDS, July 31st, 1910.
Special Correspondent: Public Ledger.

There never shone a prettier day than this, the first Sunday of Campmeeting. A cool wave struck here some time Saturday night, causing the campers to shiver a little and hunt for more bed clothes before morning. The day dawned clear and cool and has continued so all day. A large crowd was on the grounds and all services were attended by large audiences. The best of order prevailed and every one seemed to enjoy the day.

The usual Sunday morning praise service was conducted by the Rev. N. H. Young and was of such character as to lead inspiration to the services which followed. Dr. Blodgett preached his first sermon at the morning hour of worship. He was heard by a large and appreciative audience. Many were visibly touched by his touching portrayal of the exceeding awfulness of sin and its results. The sermon was followed by the singing by Rev. Ollie Ryan of Excel's beautiful song, "A Little Bit of Love." Many manifested a desire to live better lives.

Rev. E. R. Overly preached to the largest audience of the day at 2:30 this afternoon. It is generally conceded that the Sunday afternoon audiences are the hardest to hold and gain their attention. This did not hold good at this service and we are sure it was due to the magnificent and truly inspiring sermon preached by Brother Overly. As one preacher put it, "It was a great sermon, every point of which was backed up on the authority of the Holy Word." An old time altar service followed, at which the shouts of the people rang throughout the camp.

Dr. C. W. Blodgett preached again this evening and will preach every night this week. Those who come this week can be assured of hearing the finest gospel preaching and the best of singing. From the hotel comes the report that this has been the best first Sunday they ever had. They were eaten clear out.

F. F. Gerbrich brought out an auto party consisting of Mr. and Mrs. James N. Teager and Mr. and Mrs. Oscar Grigsby. In conversation with the writer, Mr. Gerbrich said that he had been coming out here with horse and buggy for years without making any impression on the fair sex, so he thought he would try an auto this year. But it is the same old story, "nothing doing."

Another auto party, Preston and Alex. Parker, Frank Allen, John Fitzgerald and Chaslor Parker, were in attendance today.

It was announced today that next Sunday all autos will be kept in a separate section of the Campgrounds on account of the large num-

W. A. McCalla and Rev. John Mullin of the Disciples Churches at Rudolph and Findlay, Ohio, respectively, were in attendance at the services today. The latter two Reverend gentlemen are spending their vacations in this vicinity.

CURE YOUR KIDNEYS.

Do Not Endanger Life When a Maysville Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Maysville testimony:

Mrs. John T. Wallingford, 108 Commerce street, Maysville, Ky., says: "Doan's Kidney Pills have been used in my family with most beneficial results and it affords me pleasure to corroborate the testimonial we gave for publication in their favor some years ago."

Doan's Kidney Pills brought me great relief and I have no hesitation in again recommending them."

THE MCKAY FAMILY

Interesting Facts About Pioneers of Early Washington—Henry Clay Senteney Visits Old Home

Mr. Henry Clay Senteney of Des Moines, Iowa, was at Washington Thursday night and Friday morning making enquiries about relatives that lived there many years ago.

His mother's name was McKay, and she was born at Washington in 1793, and married to Senteney at a block house at Limestone, where Maysville now stands.

The McKay family are all buried in the old Cemetery at Washington, and the house is still standing where some of them lived.

Mr. McKay's father emigrated here from New Jersey and about the time of the War of 1812 was a partner in business with John Chambers, afterward Territorial Governor of Iowa, who was also a native of New Jersey.

Mr. McKay is a very active man though 80 years of age. He lived at Louisville many years, where he knew a son of Governor Chambers intimately, the late Mr. Henry Chambers. He also knew the Forman's of that city, particularly Colonel James B. Forman, killed at Stone river, whose obsequies he attended, which, he related, was the largest procession that ever entered Cave Hill Cemetery. Col Forman was the son of Mr. Thomas S. Forman, a native of this county.

LIBERAL OFFER

Made By Street Railroad Company to the City—Company Anxious to Prevent Botch of Brick Streets

We desire to add this statement to what we said yesterday:

1. The city's article of Saturday last makes an unfair representation of our proposition to it as to the amount of money we are willing to pay. It says that the amount was only \$1,000. As originally put we did limit ourselves to \$1,000. This was because we were satisfied that this, with the other things we proposed to do, would cover the additional cost, but we subsequently widened our proposition by agreeing to pay whatever the additional cost was and submit the matter to arbitration. In the suit we brought to enjoin the removal of our tracks we offered to give a bond with good security to pay this amount.

2. As to any propositions made by the city to us, not only were they unfair, but they were accompanied with a threat that if we did not accept them our tracks would be removed from the street. The city had no such right, as has been decided by the Courts, and we could not afford to permit the city to remain under the impression that it had.

3. We feel called upon to correct another misrepresentation: It is being said that the

injunction secured is in the way of the city's now making a proper construction of the street. This is not the case. The injunction is simply against the removal of our track, and we are expressly required to put it to grade so as to conform to the improvement. The injunction permits of precisely the same construction as the former construction or any construction of the whole street. There is nothing in the way of the city's having a creditable improvement except the determination of the Mayor and Chairman of the Internal Improvement Committee to give it a "botch."

The greatest crop of the United States is the corn crop. Last year this amounted to 2,772,000,000 bushels, valued on the farm at \$1,653,000,000. The July Government re-

port indicated a crop this year of about 3,200,000,000 bushels. Here is promise of a bumper crop.

A New York paper prints the statement of a "well-known" surgeon that over 100,000 appendices have been removed in that city in the last seven years. But the supply of appendices is not likely to run short, as there are still over 4,000,000 good, healthy appendices in New York alone.

Dr. Pierce's Favorite Prescription

Is the best of all medicines for the cure of disease, disorders and weaknesses peculiar to women. It is the only preparation of its kind devised by a regularly graduated physician—an experienced and skilled specialist in the diseases of women.

It is a safe medicine in any condition of the system. THE ONE REMEDY which contains no alcohol and no injurious habit-forming drugs and which creates no craving for such stimulants.

THE ONE REMEDY so good that its makers are not afraid to print its every ingredient on each outside bottle-wrapper and attest to the truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can get it. Don't take a substitute of unknown composition for this medicine of known composition. No counterfeits as good as the genuine and the druggist who says something else is "just as good as Dr. Pierce's" is either mistaken or is trying to deceive you for his own selfish benefit. Such a man is not to be trusted. He is trifling with your most priceless possession—your health—may be your life itself. See that you get what you ask for.

FARMER'S WIFE HAD HEAP TO DO

Mrs. Shepherd Was in Bad Shape When She Could Not Stand on Her Feet.

Durham, N. C.—"I am a farmer's wife," writes Mrs. J. M. Shepherd, of this city, "and have a heap to do."

"Four months ago I could not stand on my feet, to do anything much, but at this time I do the most of my work. I took Cardui and it did me more good than all the doctors."

"You don't know how I thank you for the Cardui Home Treatment. I wish that all women who suffer from womanly trouble would treat themselves as I have. Ladies can easily treat themselves at home, with Cardui, the woman's tonic. It is easy to take, and so gentle in its action, that it cannot do anything but good."

Being composed exclusively of vegetable ingredients, Cardui cannot lay up trouble in your system, as mineral drugs often do. Its ingredients having no harsh, medicinal effects, and being non-poisonous and perfectly harmless, Cardui is absolutely safe for young and old. Ask your druggist. He will tell you to try Cardui.

N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

Including its balance on hand, amounts invested in interest-bearing bonds and property, the Grand Lodge, Knights of Pythias, colored, of Kentucky, has the magnificent sum of \$41,708 credited to the Endowment Department of the Order.

Mr. and Mrs. Dan Smith, formerly of this city, were given a severe fright several days ago in Cincinnati. They were walking along the streets of that city with their pretty little baby daughter. Childlike the little girl was slightly in the rear, but her parents were watching her. At one point, looking back, she was missed and her parents were horrified at finding some man going away with her in an opposite direction. Mr. Smith gave chase and some distance away found the man seated in the hall of a dwelling with the child. The man's excuse in picking up the little girl was that he thought she was lost.

MRS. JULIA LASHBROOKE.

Mrs. Fanny Lashbrooke of the county received a telegram yesterday conveying the intelligence of the death of Mrs. Julia Lashbrooke, widow of Dr. E. L. Lashbrooke—son of the late Peter Lashbrooke of Mason county—who passed away at her home, Houns, La., Sunday morning. She is survived by an only son, Edward, and many relatives and friends in this county. She was buried at Tibbodaux, La.

MRS. WILLIAM ROE.

Mrs. William Roe died this morning at 4 o'clock at her home near Orangeburg, after a week's sickness, aged 79 years.

Mrs. Roe was a native of Mason county and was a most excellent Christian woman, having been a devout member of the Baptist Church since early womanhood.

She is survived by her husband and six sons and one daughter.

The funeral will take place tomorrow morning at 10 o'clock from Stonelick Church. Interment in nearby Cemetery.

MRS. ELLA FOLEY.

Mrs. Ella Foley, wife of Thomas Foley, and sister of Hon. Thomas D. Slattery, Mr. Charles Slattery and Mrs. Anna Liston of this city, died suddenly last night at her home on Tuckahoe during an accouchement.

She leaves a husband and two children.

Funeral Thursday morning at 9 o'clock from St. Patrick's Church.

Interment in Washington Cemetery.

JOHN W. HOOD.

Mr. John W. Hood, formerly of this city and Aberdeen, died yesterday morning at his home in Dayton, O.

He leaves a wife and grown son.

The remains will arrive here Thursday and will be taken to Aberdeen and buried in Charter Oak Cemetery.

PSHAW!

The meeting of the "City Dads" last night was short and sweet, and, withal, a great disappointment to interested parties as well as those assembled to enjoy an expected pyrotechnical display of oratory and parliamentary tactics.

In the absence of Mayor Lee the meeting was called to order by City Clerk William Kirwin, but a look in the book and a perusal of the law developed the fact that it was necessary that the Mayor should be absent three days from the city before a presiding officer could be chosen whose acts in matters of importance would hold water and have legal status, hence the session was adjourned to meet Wednesday night, when the time limit will have expired.

Councilman Everett, member from the Third Ward, had the Clerk read a petition signed by shutting property owners in regard to the West Second street imbroglio, but the matter was postponed until the regular meeting Wednesday night.

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on pills and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just once again, but try something practical and sensible, a remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Sanville, Va., will gladly attest, and so will Mrs. S. A. Hampton of Portage, O.

To those who are still skeptical there is a way to prove these assertions without a penny of expense: Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty-cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and the dose is small. It is pleasant to the taste, does not gripe and is promptly effective, and these statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally. Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address in Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill.

Get This Grade of Paris Green

Commence on the Tobacco Worms early. The longer you wait, the more harm they do, the more difficult it is to get rid of them and the greater the cost. The various grades and brands of Paris Green differ widely in strength and composition and differ just as much in results. We have the best grade on the market.

It Kills Because It Is Pure and Full Strength

It is the kind that goes farthest and does most, the kind that kills, the kind you can rely on. Costs no more than uncertain brands—is apt to cost less, because less is required and it never fails to do the work.
